Subject: GIA/3422/2016 - 20 March 2019
To: <@ico.org.uk>

Dear Richard,

Accompanying the judgment there was a letter from the HMCTS dated 1st of March 2019 ([find a copy here](#)) **strongly advising** me to get legal advice.

I consulted with Peter Blake-Turner, a highly regarded and experienced solicitor in this field. Mr Blake-Turner's advice to me is "it should not be a public policy to allow regulation to suppress criminality".

Best Regards,

Jeff Lampert
